Hi Dan and Star,

Attached please find the draft motion our Operations Coordinator Matthew put together. Please feel free to reach out to us with any questions/feedback you may have. Kerry is out of the office until Monday, but I will be sure to have her review it when she returns as well.

Thank you both for your help!

Hello Joseph,

This looks fine and this is very similar what I came up with. We will most likely introduce this next week.

Thank you,

Star

MOTION

The Hollywood Property Owners Alliance ("HPOA") and Central Hollywood Coalition ("CHC") have offered to donate to the City an upgraded digital wireless surveillance system for the Hollywood Entertainment District and the Sunset and Vine District. The upgrade is comprised of digital wireless video cameras, monitors and a repeater.

The existing surveillance system was donated to the City by the HPOA and CHC over a period from 2004 to 2009. The system includes nine cameras at the following locations throughout Hollywood:

- a) Hollywood and Vine
- b) Hollywood and Cahuenga
- c) Hollywood and Whitley
- d) Hollywood and Highland
- e) Hollywood and Sycamore
- f) Hollywood and Gower
- g) Yucca and Cahuenga
- h) Selma and Schrader
- i) Sunset and Cahuenga

The repeaters are installed at 6225 Sunset Boulevard and the monitors are located at the LAPD Hollywood station.

The system is intended for the exclusive use of the Police Department. The HPOA and CHC will pay for ongoing maintenance of the equipment after the one-year warranty is expired. With the installation of the original donated cameras, the Police Department had documented a resulting drop in crime. The cameras have proven to be a continued effective tool to increase public safety.

Action is needed to accept the donation (estimated value of \$100,000 for the equipment) and thank the donors.

I THEREFORE MOVE that the Council accept the donation by the Hollywood Property Owners Alliance and the Central Hollywood Coalition of an upgraded digital surveillance system (estimated value of \$100,000) comprised of digital wireless video cameras, monitors and a repeater, for use by the Police Department for the Hollywood Entertainment District and the Sunset and Vine District as further described in the text of this motion.

I FURTHER MOVE that the Police Department be instructed to record the donated equipment on the Department's inventory list and to thank the donors on behalf of the City.
